Penny--

I had a call from Ben Veach with Associated Bank. He has been working with Jim Runquist on the letters of credit for TME's two small mines, S/047/0036 and S/047/0088. He said the increases we required by October 15 have been approved but that it may take a few days to get us all the paperwork. Based on this phone call, could you please extend the deadlines for tasks 5074 and 5075 to October 29? Thank you.
